

KEW 6516BT KEW REPORT UYGULAMASI NASIL YÜKLENİR?

Bilgisayarınızda DVD sürücüsü varsa **KEW Report** CD'si üzerinden gerekli setup dosyalarını bilgisayarınıza yükleyebilirsiniz. Eğer DVD sürücüsü **mevcut değilse** Kyoritsu'nun web sayfası üzerinden yazılım dosyasını bilgisayarınıza yükleyip kolayca kurulumunu yapabilirsiniz.

İlk olarak <https://www.kew-ltd.co.jp/en/> linkine tıklayarak Kyoritsu'nun web sayfasına ulaşabilir ardından aşağıdaki talimatlara göre **KEW Report ve USB Driver** setup dosyalarını bilgisayarınıza indirebilirsiniz.

1- **Download** kısmından Software sekmesine tıklayın.

The screenshot shows the Kyoritsu website interface. At the top, there is a navigation bar with the Kyoritsu logo and the tagline "Quality and reliability is our tradition". The main navigation menu includes "PRODUCTS", "CUSTOMER SUPPORT", "DOWNLOAD", "ABOUT KYORITSU", and "CONTACT". A search bar is located below the navigation menu. The "DOWNLOAD" menu is open, showing options for "Software", "Product Catalogue", and "Instruction Manual". The "Software" option is selected, indicated by a red checkmark. Below the navigation menu, there is a large banner for the "KEW 8135 FLEXIBLE CLAMP SENSOR". The banner features an image of the sensor and text describing it as a "Flexible Clamp Sensor that is very useful for measuring low current around 5A". A "PRODUCTS PAGE" button is visible below the banner. In the bottom left corner, there is an "INFORMATION" section with a list of recent news items, including "Golden Week Holidays Notice", "Introduction Video", and "KEW 8135 - Flexible Clamp Sensor". In the bottom right corner, there is an "Important Information" section with a "Company Profile Video" thumbnail.
